

REMARKS

This application has been carefully reviewed in light of the Office Action dated November 17, 2004. Claims 1-11 remain pending in this application. Claim 1 is the independent claim.

Applicant notes with appreciation the indication that Claims 1-11 are allowed.

In response to the objection to the specification for failing to include headings, Applicants gratefully acknowledge the Office Action's suggestion, however respectfully decline to add the headings because they are not required in accordance with MPEP §608.01(a).

In response to the objections to the abstract, Applicants respectfully believe the amendments to the Abstract render the Office Action's objections moot and request their withdrawal.

In view of the foregoing remarks, Applicants respectfully requests favorable reconsideration and early passage to issue of the present application. Applicants' undersigned attorney may be reached by telephone at the number given below.

Respectfully submitted,
